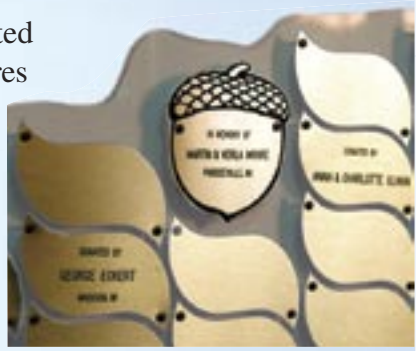
Leave Your Mark in Whitetails Unlimited History!



Your new Whitetails Unlimited National Headquarters features a cast bronze Donor Recognition Tree which stands as a testament to individuals, chapters, and businesses who have played a role in helping Whitetails Unlimited realize its building goals. This is your opportunity to show your support and be permanently recognized. Support for the donor tree has been great, and there is room remaining for your family name, the name of a lost loved one, a chapter name, an organization or company name, or even your deer camp name. Please complete the attached donor form and mail it in today. All contributions are tax-deductible, and your name or memorial will be permanently displayed in the national headquarters public display area.
