

Working for an American Tradition
Education • Habitat Conservation • Hunting Tradition

Dear Participant,

Prior to participating in the *Kids on Target* firearm program, please review the enclosed 10 Commandments of Firearm Safety and adhere to them at all times while handling and shooting a firearm. It is also mandatory that shooting takes place at a public shooting range, that there is adult supervision, and that safety glasses and ear protection be worn during participation. This program is designed for kids 18 and under. Good luck and have fun!

HOW TO QUALIFY:

Open Sights

If you are shooting a firearm with open sights, then the shots must be fired at 50 yards. The participant must fire a total of three shots at the target and all three must be within the 6" red portion of the official target.

Optics

If you are shooting a firearm with optics, then the shots must be fired at 75 yards. The participant must fire a total of three shots at the target and all three must be within the 6" red portion of the official target.

Qualifying Participant

If you meet the requirements of open sights at 50 yards or optics at 75 yards, you will receive, compliments of Whitetails Unlimited, a Whitetails Unlimited *Kids on Target* silver medal and a personalized *Kids on Target* official color certificate, suitable for framing.

Important Notice: Please complete the form below and submit it along with the official qualifying target to: Whitetails Unlimited, Attn: Kids on Target, P. O. Box 720, Sturgeon Bay WI 54235.

KIDS ON TARGET - FIREARM WITNESS VERIFICATION FORM

(This form is not to be used for club/organization purposes)

Check One:

Open Sights @ 50 Yards

Optics @ 75 Yards

Date witnessed by adult: _____

I, _____, witnessed the above mentioned person shoot three times at the official target and place three consecutive shots in the red.

10 Commandments OF FIREARM SAFETY

**HANDLE ALL FIREARMS AS IF
THEY WERE LOADED**

1

A firearm offers no guarantee that it is unloaded. Therefore, always treat each firearm with respect.

**NEVER PULL THE TRIGGER UNLESS
YOU ARE SURE OF YOUR TARGET**

2

Always be positive of your target and what is behind it prior to pulling the trigger.

**WATCH WHERE YOU POINT
YOUR FIREARM'S MUZZLE**

3

Control the direction of your firearm's muzzle at all times by pointing it in a safe direction.

**MAKE SURE THE AMMUNITION
MATCHES THE FIREARM**

4

Double check your ammunition to make sure it matches the gauge or caliber of the firearm.

**ALWAYS MAKE SURE THE BARREL
IS FREE OF OBSTRUCTIONS**

5

Before loading, check for obstructions in the barrel.

**NEVER TAKE CHANCES WITH
A LOADED FIREARM**

6

Unload your firearm before attempting to cross over any fence, obstacle or hazardous terrain.

**DON'T RELY ON YOUR
FIREARM'S SAFETY**

7

Because a safety is a mechanical device, it could fail at any time. Always remember to place the safety back on immediately after the shot.

**STORE FIREARMS AND
AMMUNITION IN A SAFE PLACE**

8

Store firearms and ammunition separate from one another and out of the reach of children.

**NEVER LOAD A FIREARM UNLESS
YOU ARE READY TO USE IT**

9

Don't load your firearm until you are ready to hunt - and unload as soon as you are finished.

**NEVER MIX ALCOHOL
AND AMMUNITION**

10

Alcohol and drugs impair judgement; never consume either before or during hunting or target practice.

Kids on Target Program - Firearm

Three in the Red

Official Qualifying Target

IMPORTANT: All participants in the program must review and follow the 10 Commandments of Firearm Safety and conduct the shooting activity under adult supervision.

Actual target practice should also take place at a qualified shooting range or gun club.
